

Bridal Beauty Countdown

9-12 Months Before

- Decisions to make
- 1. Budget
- 2. Location in salon
- 3. Package plans
- Meet your service providers with appointments/consultations
- Work out the color formula and hair care regime with your stylist as well as schedule regular trim and conditioning appointments.
- Meet your nail tech and plan nail care regime
- Meet your makeup artist and plan skin care/facial regime

6-9 Months Before

- This is the time to prep your skin, nails and hair for the big day
- Healthy hair tip ~ apply conditioner to ends prior to shampooing the roots. This is a one step process which saves time in the shower and uses less product and saves money.
- Use hand lotion at the very least 2 x's per day
- Use cuticle oil at the very least 1 x per day
- Daily skin cleansing and moisturizing with occasional masks and exfoliates with help you get a beautiful wedding day glow
- WAXING Now is the time to do trial waxing of never before areas such as under arms, legs, bikini/Brazilian ALSO do a check up on your brow shape (this give you time to grow if needed)

4-6 Months Before

- Verify and finalize all salon appointments
- Print out appointment times for wedding party
- Bring in your guy for a cut and plan how to achieve his best wedding day look

2-3 Months Before

- Bachelorette party? Get a "Blow Out to Go Out"!
